

Razor Magic Interactive Order Form

We accept personal checks, money orders, cashiers checks and Paypal (Paypal preferred). Please do not send cash.

SHIPPING TIME: We ship fast. The same or next business day after payment clears our N.Y. bank. Paypal ships immediately.

PACKAGING: Each shipment of Razor Magic is protected with a leak proof inner container and a bubble pack outer container. The packaged instructions act as absorbent in case of damage or leakage.

To speed up delivery and protect your package from postal machine damage, each shipment of Razor Magic is delivered to the U.S. Post Office by messenger for hand stamping.

INTERNATIONAL BUYERS: We are aware of the discrepancy between the S&H charges and the actual cost of postage. Overseas shipments require special packaging and additional time for export issues.
